Legislative Committee

MEMORANDUM FOR The President WINGA, Inc.

SUBJECT: Legislative Committee Report

The Wisconsin National Guard senior leadership team made their annual Zenith trip to the nation's capital March 31 and April 2, 2008.

The visit began with a NGAUS legislative briefing on the legislative priorities of the association.

On April 1, WINGA sponsored a legislative breakfast for all our congressional staff in Washington. Representatives from all the Wisconsin congressional offices were in attendance. Adjutant General Dunbar briefed the legislative staff on Wisconsin legislative requirements and areas of concern. He then personally visited each congressional office.
