13 April 2009

MEMORANDUM FOR EXECUTIVE DIRECTOR WINGA INC.

SUBJECT: 2008 Communications Committee Report

The focus of the Communications Committee continues to be improved communication with the WINGA membership. The primary mediums to accomplish this task are the web site at [www.winga.org](http://www.winga.org), direct email, and through *Your Communicator*.

The *Communicator* is the main communication between WINGA and the general membership. This publication is published four times each year, January, March, July, and October. YOUR contributions are encouraged and should be directed to the Executive Director, WINGA Inc.

The WINGA web site continues to improve as more information and links are added. The site contains information about WINGA, its by-laws, resources to include the Wisconsin National Guard Insurance Program and Educational Grants and Scholarships, current and past editions of *Your Communicator*, and many more. The site is a one-stop-shop for much of the information concerning WINGA.

Currently, we are assisting the Wisconsin National Guard Insurance Program with the upgrade of their computer systems and update of their software. This will improve the Insurance Program's ability to better serve its customers by providing accurate, timely and up-to-date information.

The Communications Committee will continue to provide the services necessary to improve our organization more effective and responsive in addressing the challenges we face as a National Guard organization.
